with answers thereto which is directed
to be forwarded to the Monthly
Meeting

1st Ans Meetings for worship and discipline are regularly held. They are well and punctually attended on First-day, some of our members are neglegent in the attendance of midweek Meetings

2nd Ans Most Friends in their intercourse amongst men give evidence that they are imbued with the love of Christ. Some are not so careful to instruct their children in the principles of the Christian religion, and in bringing them up in habits of industry and simplicity as would be best; children are encouraged to read the Holy Scriptures.

3rd Ans With few exceptions Friends are careful in regard to contracting debts and other engagements so that no discredit or reproach has occurred

for want of promptness in
complying with the same.
We believe Friends are not as
careful of the reputation of others
as they should be.
4th. Ans. Measures have been taken
